

PRODUCT DATA SHEET

FRIGO58 SMARTLIFT 2D 1/2 - 1/2 STD. PLUS

The Frigo58 SmartLift 2D 1/2 - 1/2 Standard Plus is a two door, fixed bulkhead. The twin SmartLift balancers system with steel coil springs works in accordance with LoadLok 3061 or 3062-J Track (track not included). The balancer system allows the bulkhead to be easily and quickly repositioned over the length of the trailer. This Standard Plus includes the floor stopper recessed into the bulkhead and incorporates the ergonomic handgrips.

The Frigo58 SmartLift 2D will be delivered according to trailer specifications.
