

# PRODUCT DATA SHEET

## FRIGO58 SMARTLIFT-CS 1D STD. PLUS 12V FAN

The Frigo58 SmartLift-CS 1D Standard Plus is a single span, fixed bulkhead. The SmartLift balancer system with steel coil springs works in accordance with standard Schmitz Cargobull Multitemp Track. The SmartLift balancer system allows the bulkhead to be easily and quickly repositioned over the length of the trailer. This Standard Plus version includes the floor stopper recessed into the bulkhead, incorporates ergonomic handgrips and has an integrated 12v fan. This IsoLok solution can be retrofitted to Schmitz Cargobull Multitemp trailers.

The Frigo58 SmartLift-CS 12v Fan will be delivered according to trailer specifications.
